

Let's talk...

...about changes
to the way we
charge for adult
social care

**We'd like to know
what you think**

We have to make changes to adult social care services because we have less money from the government to spend.

The changes we suggest mean some people who use these services may have to pay more for them. We want to know what you think.

**Find out about the changes
and have your say at
www.kirklees.gov.uk/ASCsurvey**

Make sure you take part before the survey closes on **21 November 2016**.

If you need any help with the questions, or to get online, please ask a family member, friend or carer. Or visit our Customer Service Centre for support. Call **01484 225115** if you need a printed copy of the survey.
